From

Amaresh Chakrabarti

Professor, Conference and Programme Chair

International Conference on Industry 4.0 and Advanced Manufacturing, I4AM'24

To

Keivalya Pandya

IIT Delhi - AIA Foundation For Smart Manufacturing

Dear **Keivalya Pandya**,

Invitation to Attend I4AM'24

I am delighted to inform you that your paper with ID **"58"** titled **"Remaining Useful Life prediction using Gradient Boosting Regression over turbofan simulation dataset"** has been accepted for presentation at the 3rd International Conference on Industry 4.0 and Advanced Manufacturing, I4AM'24 to be held at Indian Institute of Science Bangalore, India during January 11-12, 2024. I hereby invite you to attend and present your paper at the conference. Please note that conference organizers are unable to sponsor any part of your expenses related to the conference: all expenses are to be borne by you or your sponsors. Please also note that to attend I4AM'24, you need to register by paying the conference fee. **The portal for registration is still open.** Further details about the conference, can be seen on the website: <https://cpdm.iisc.ac.in/i4am24/>.

Please also note that international participants need to obtain a valid visa from an Indian Embassy or consulate to enter India.

Yours Sincerely,

Amaresh Chakrabarti
