From

Amaresh Chakrabarti

Professor, Conference and Programme Chair

International Conference on Industry 4.0 and Advanced Manufacturing, I4AM'24

To

Vijayarangan Natarajan

Tata Consultancy Services Ltd (TCS)

Dear **Vijayarangan Natarajan**,

Invitation to Attend I4AM'24

I am delighted to inform you that your paper with ID “80” titled “**Assignment of Resources to Aircraft Maintenance Using Pentagon and Generalized Fuzzy Models**” has been accepted for presentation at the 3rd International Conference on Industry 4.0 and Advanced Manufacturing, I4AM'24 to be held at Indian Institute of Science Bangalore, India during January 11-12, 2024.

I hereby invite you to attend and present your paper at the conference. Please note that conference organizers are unable to sponsor any part of your expenses related to the conference: all expenses are to be borne by you or your sponsors. Please also note that to attend I4AM'24, you need to register by paying the conference fee.

The portal for registration is still open. Further details about the conference, can be seen on the website: <https://cpdm.iisc.ac.in/i4am24/>.

Please also note that international participants need to obtain a valid visa from an Indian Embassy or consulate to enter India.

Yours Sincerely,

Amaresh Chakrabarti
